

JACOB

The assembly process for the JACOB rolling cart is shown in four steps:

- Step 1:** Shows the main frame with legs (C), a lower shelf (D), and a top shelf (E). Components include side rails (C1), front crossbars (F), and casters (M, N).
- Step 2:** Shows the installation of the top shelf (A) and the front crossbars (K, K1) using screws (I, L) and nuts (J).
- Step 3:** Shows the installation of the front crossbars (G) onto the main frame.
- Step 4:** Shows the final assembly with the top shelf (B) and front crossbars (J) fully attached.

A		1	H		4
B		1	I		8
C		1	J		8
C ₁		1	K		1
D		1	K ₁		1
E		1	L		4
F		4	M		2
G		4	N		2
